General Tax Authority Announces Extension of Tax Return Submission Deadline for the 2025 Tax Year

The General Tax Authority has announced an extension of the deadline for submitting the tax return for the 2025 tax year until 30 June 2026. This step aims to support taxpayers and enhance tax compliance by providing additional time to fulfill their obligations.

However, it does not apply to companies operating in the petroleum and petrochemical sectors, which are required to submit their tax returns no later than 30 April 2026.

Key Highlights

- New Deadline: 30 June 2026
- Tax Year: 2025
- Platform: All submissions must be completed via the "Dhareeba" portal.
- Mandate: Taxpayers are encouraged to take the initiative and complete their filings well ahead of the new deadline to avoid system congestion or late penalties.
